Community: a social group of any size whose members reside in a specific locality, share government and have a cultural and historical heritage.

It is to this idea that the Victorian staff dedicates this book. We feel that the Freeland community has a spirit of its own.

The community of Freeland began with dirt roads, horse and buggies, and a general store. The settlement has changed from a lumbering community to an enterprising and futureminded community.

The start of our present school building program began in 1914 with the North Building, a two story, four room school. The growth of the Freeland community expanded the needs for a new and bigger school. We can see how far we have come from the days of the community's first school and first teacher, to the community new high school and its present school system.

All of the past involvement resulted in millages being passed and the construction of our new high school. To this spirit the Victorian staff is very thankful.

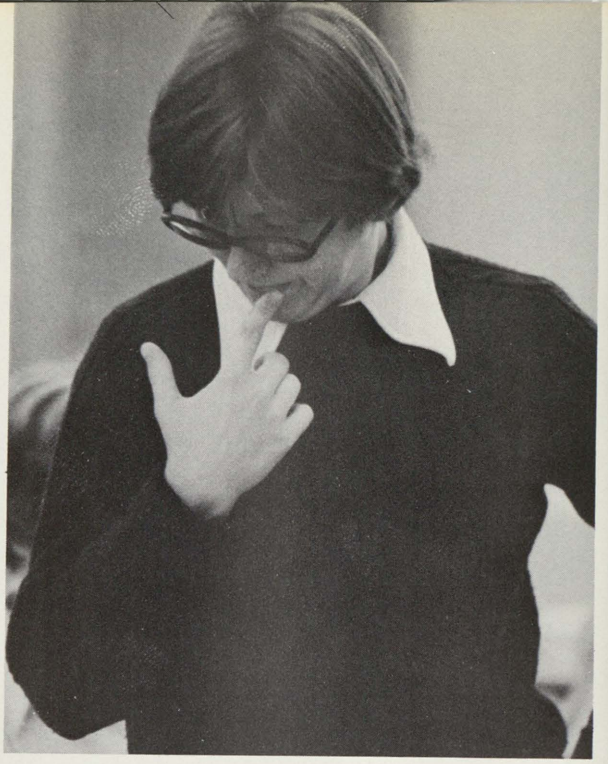
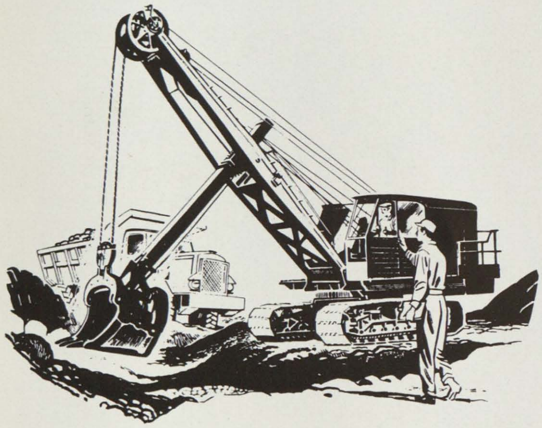
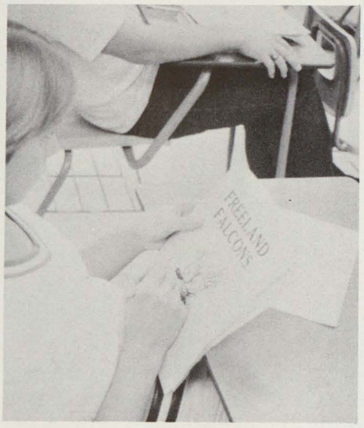
The building of knowledge

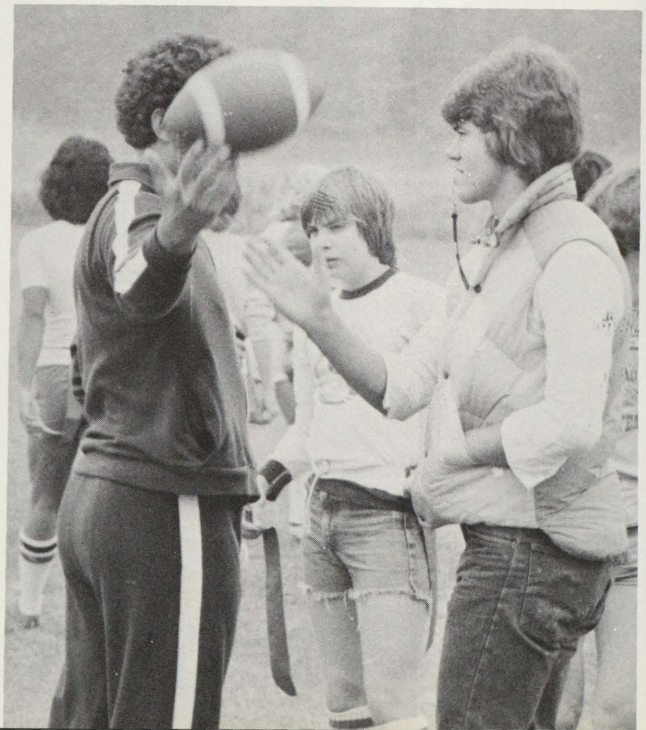
. . . deals with the principle of learning

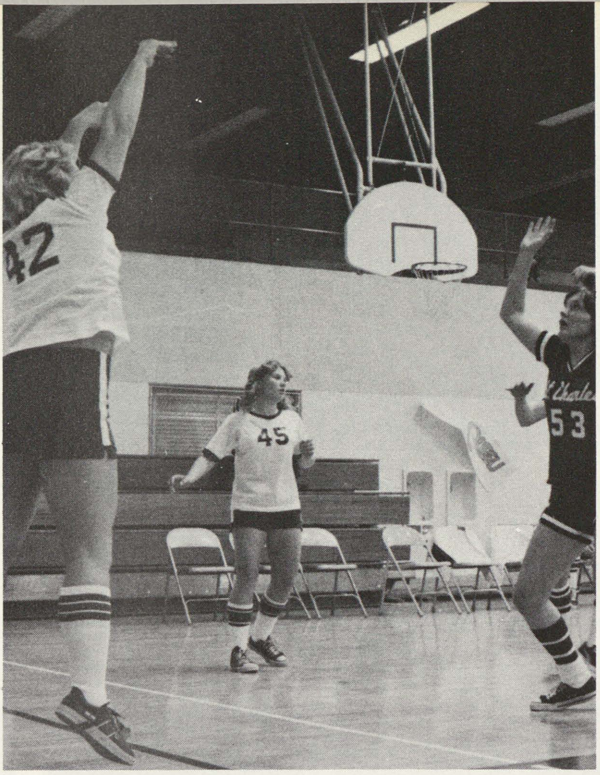
. . . the patience to endure long hours of study



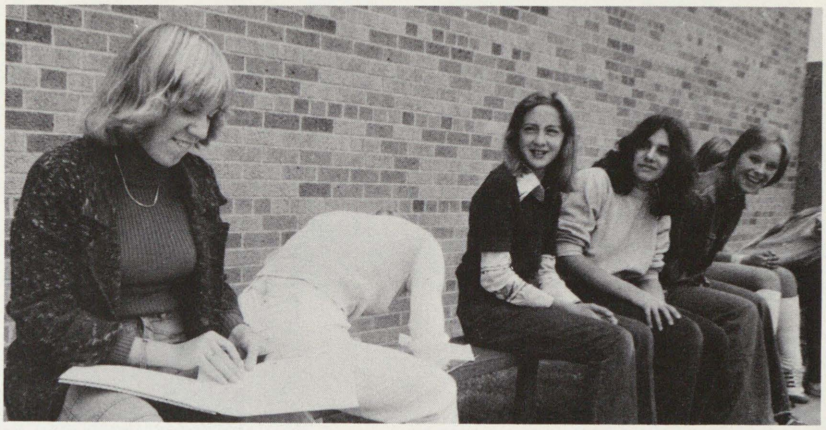


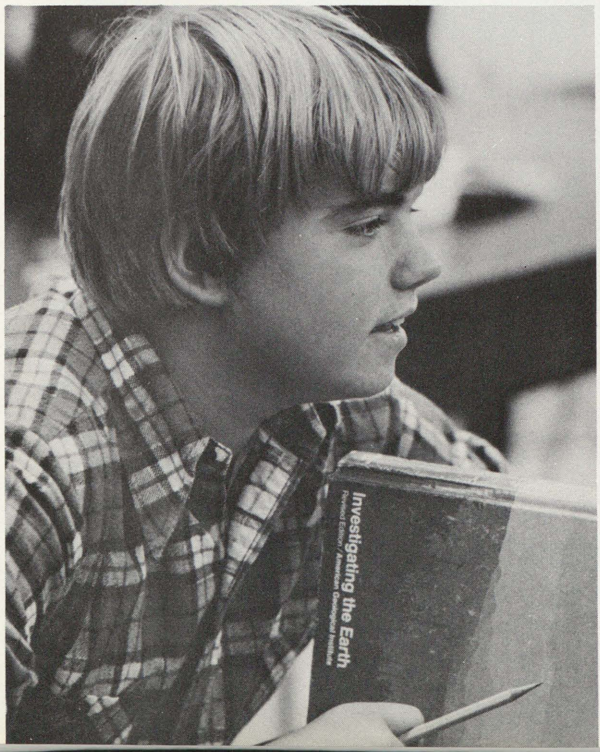




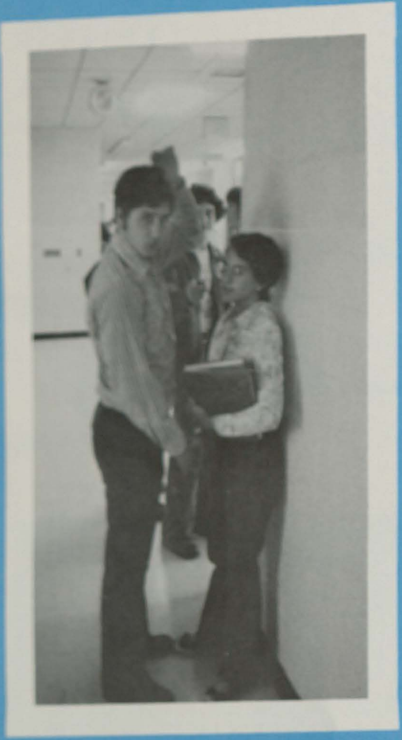


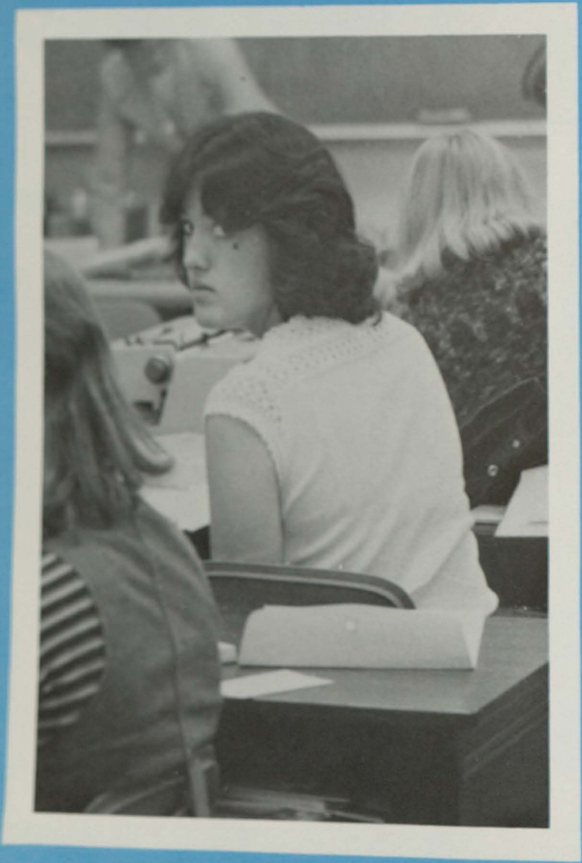
. . . and the participation of every student.

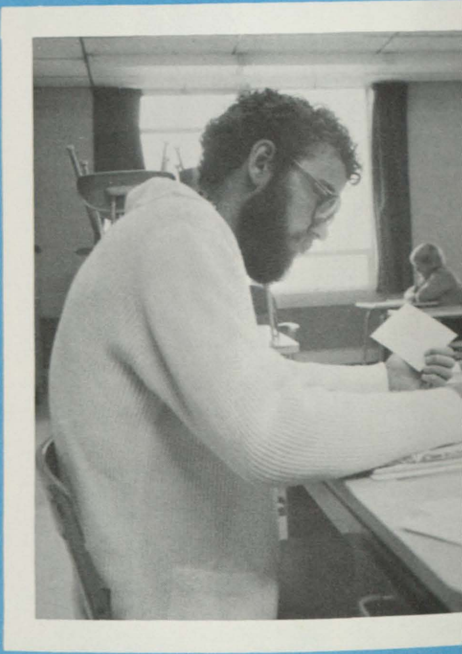




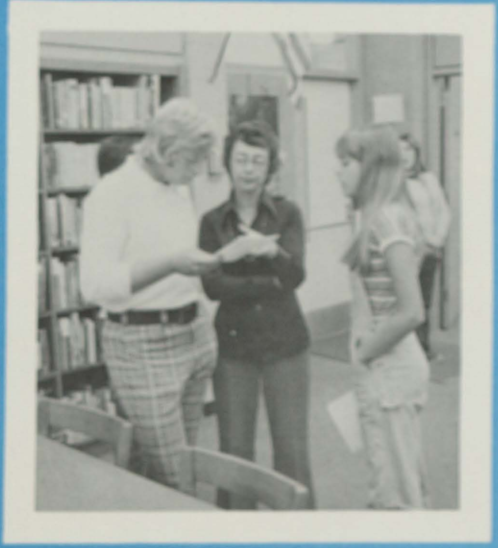
The foundation of knowledge begins with reading

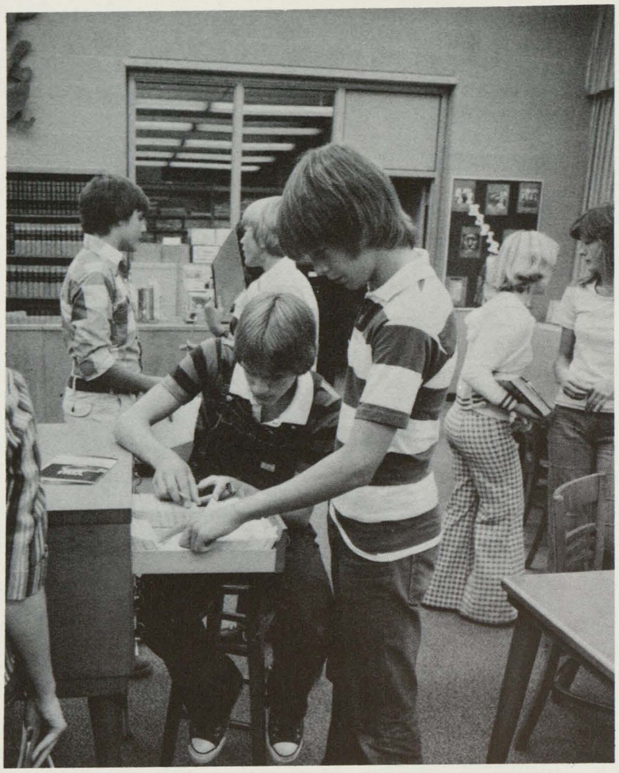


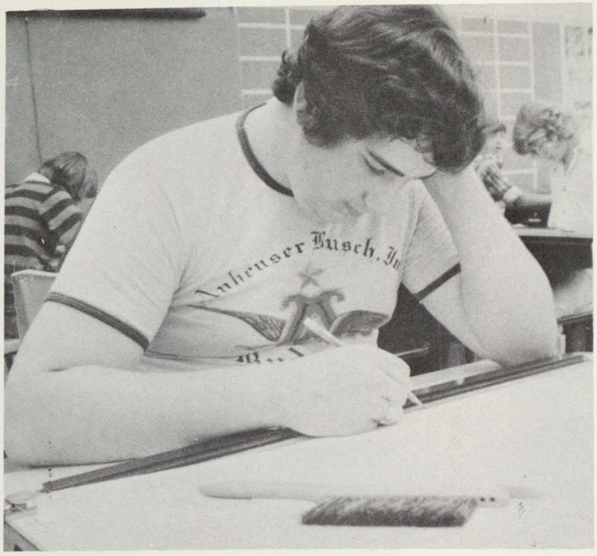




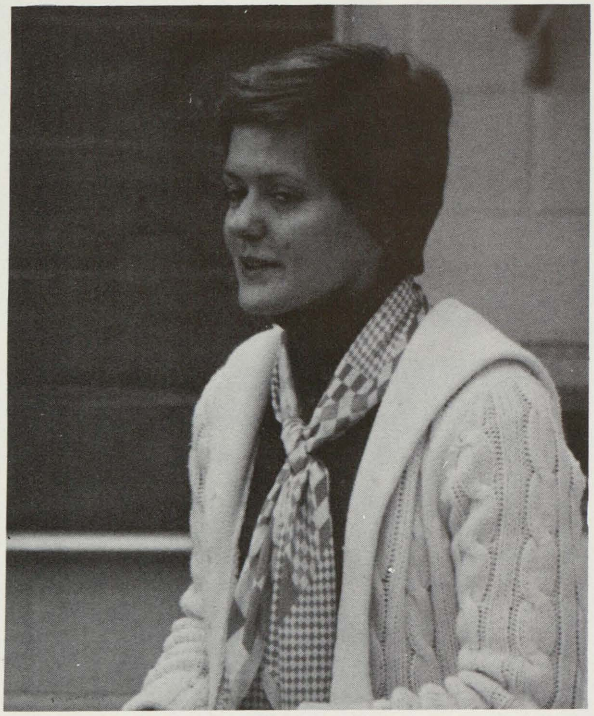
. . . which enlightens our minds to a wide variety of subjects.

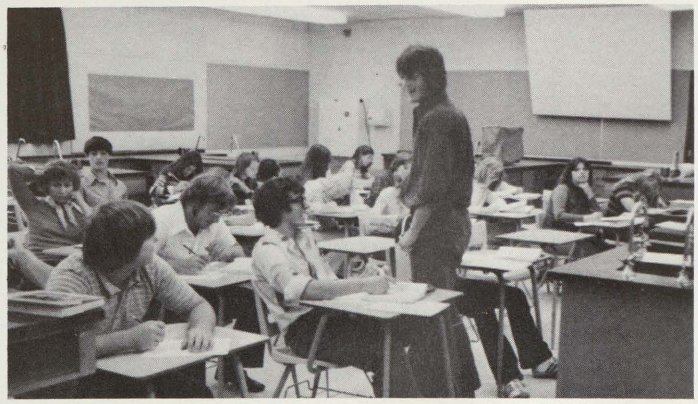


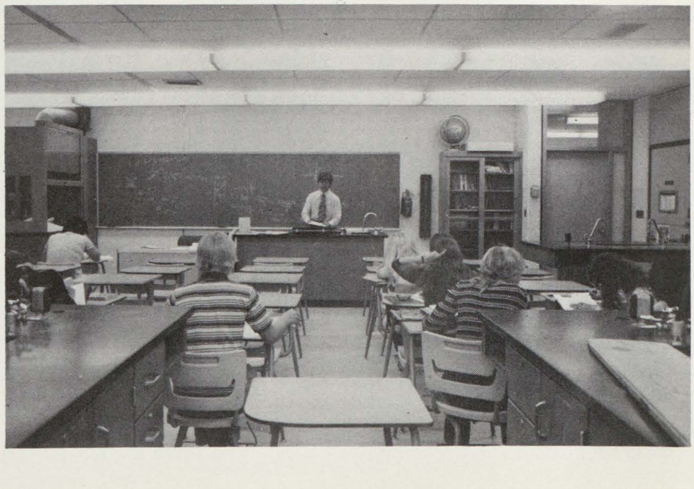


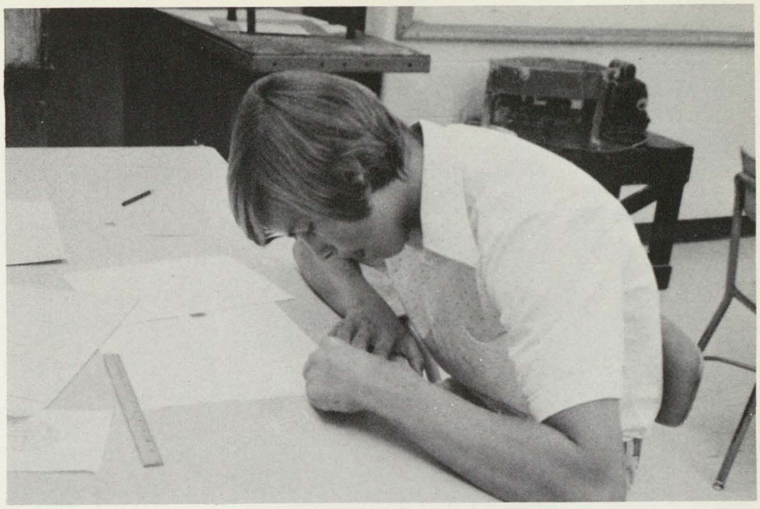


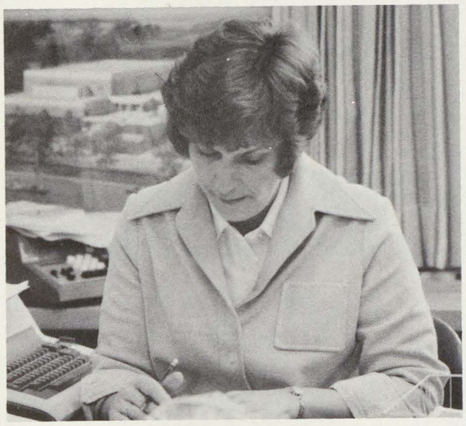
The fabrication of know how arises through mathematics

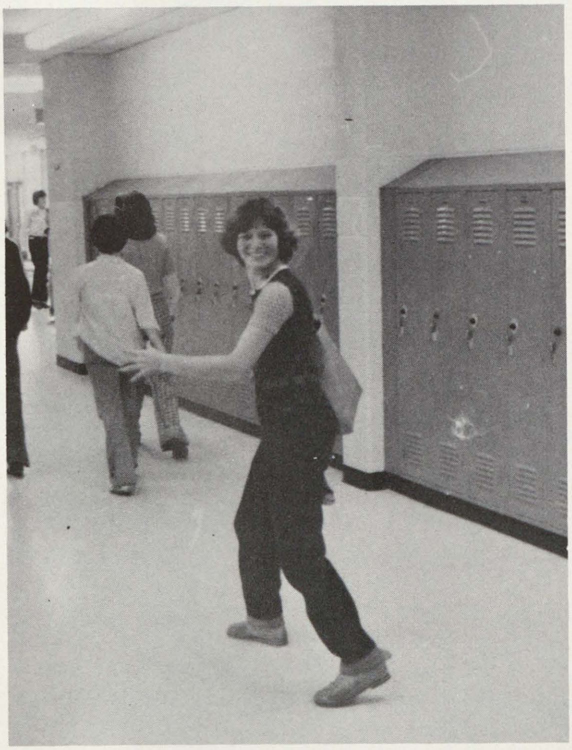




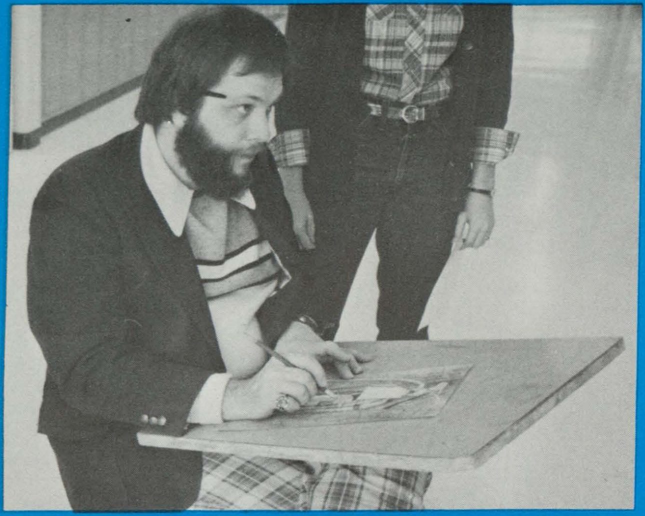


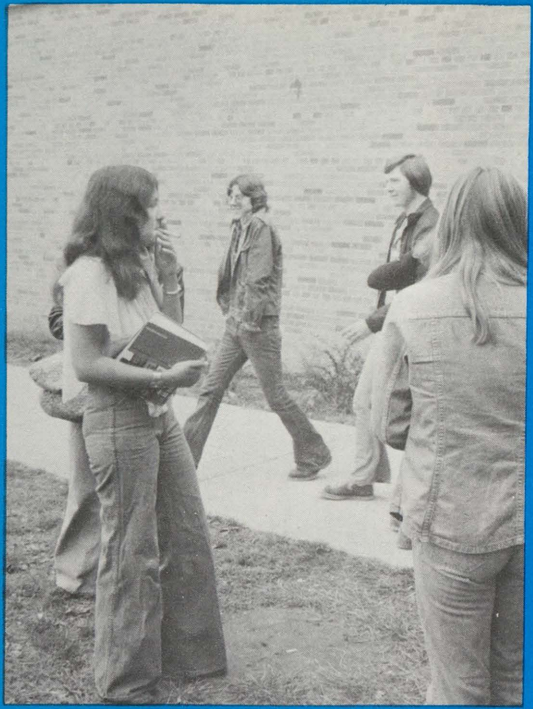


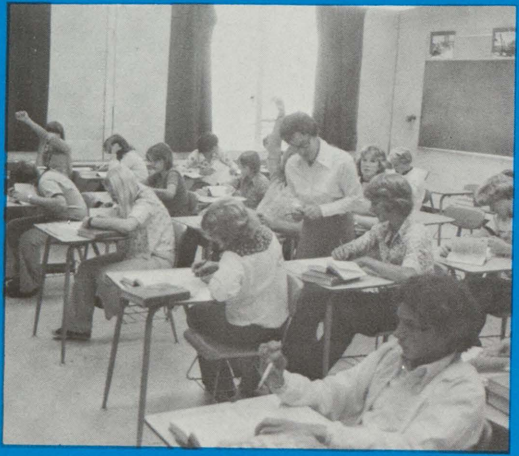


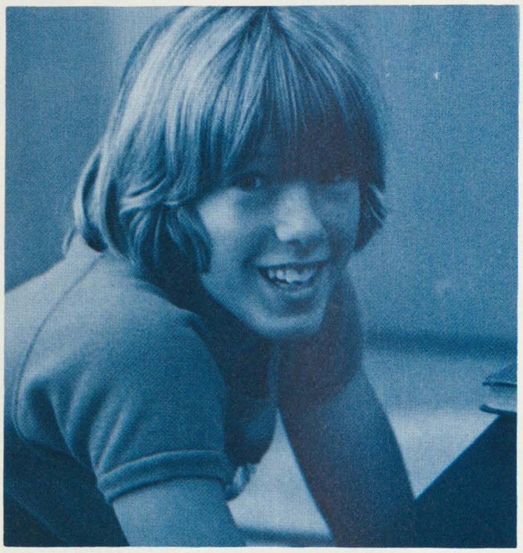


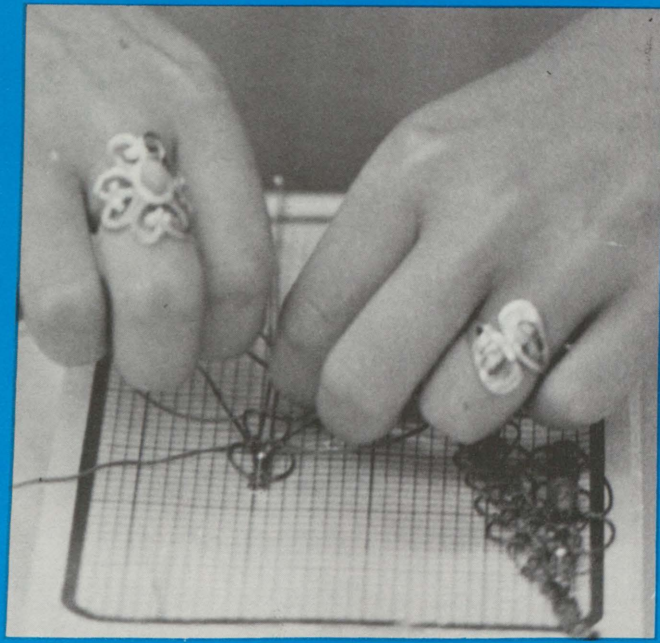
. . . giving you the ability to measure and determine many elements



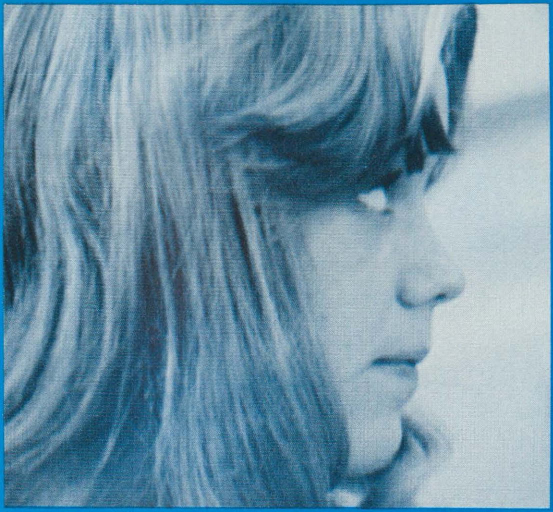


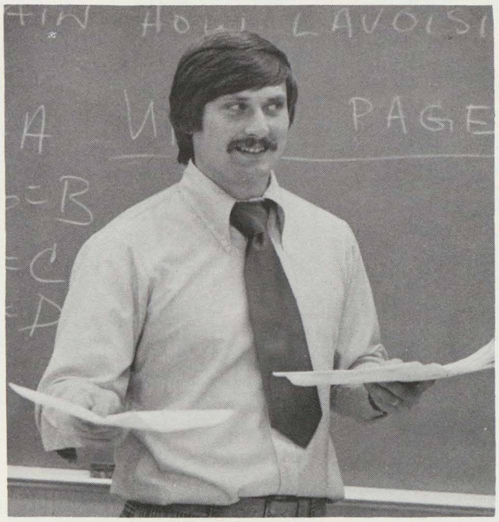




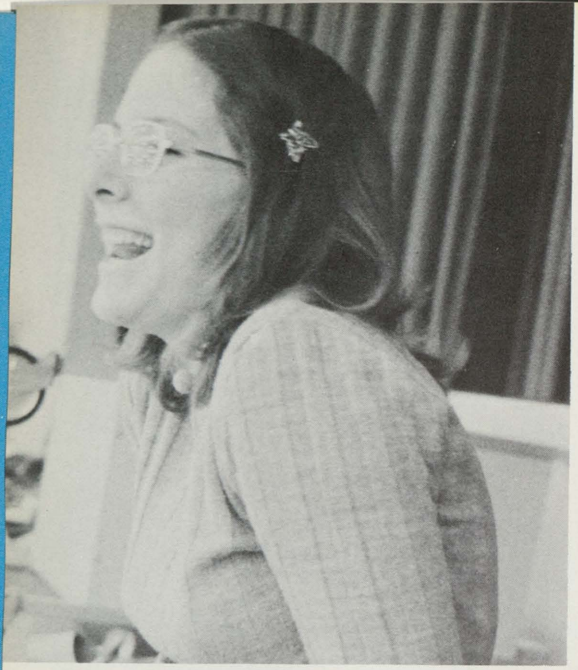


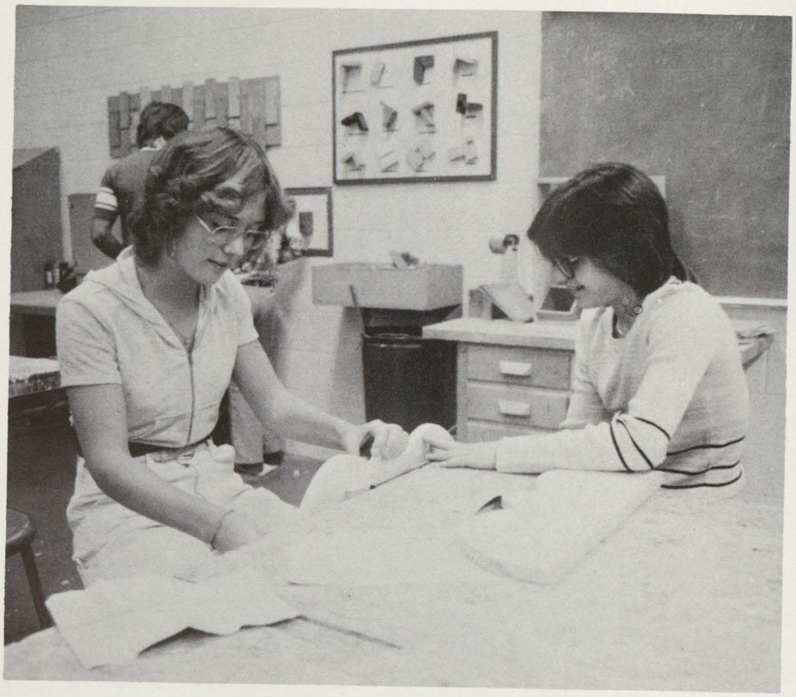
The knowledge received
from science

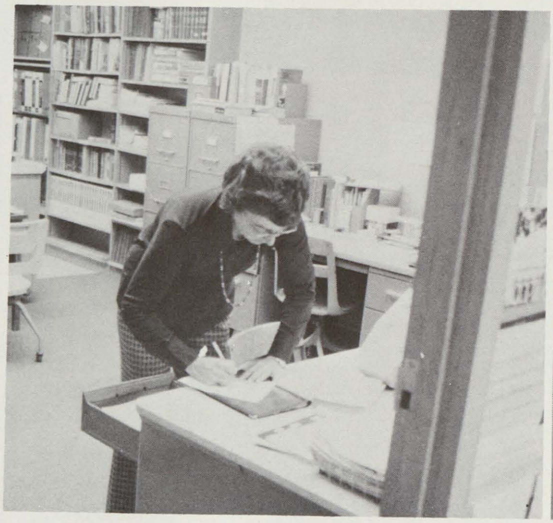


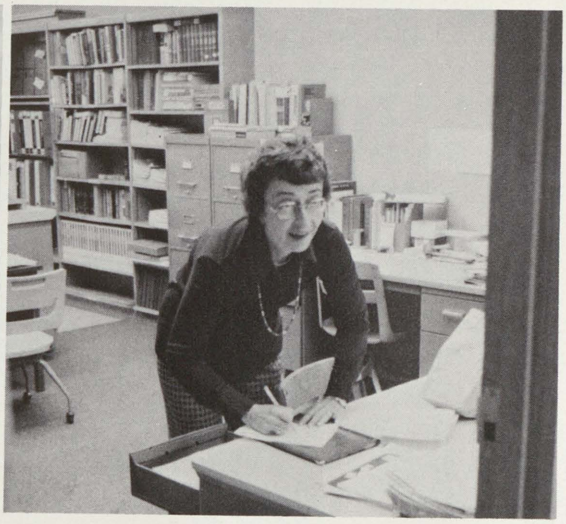


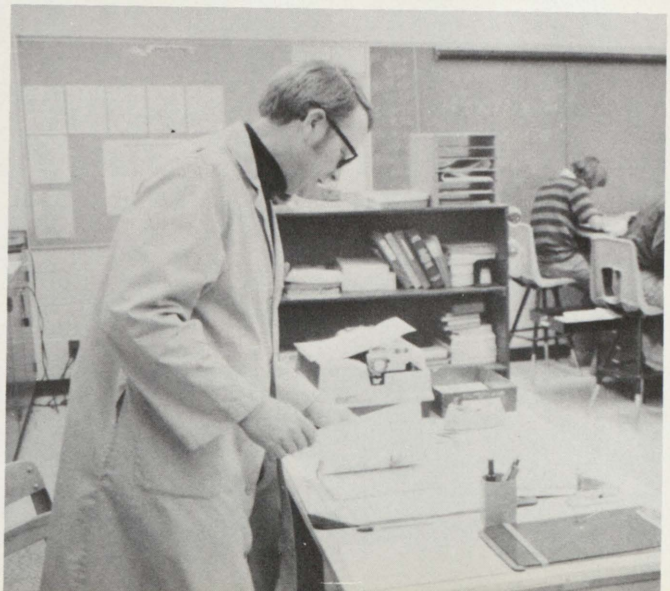
. . . is obtained
through experimentation

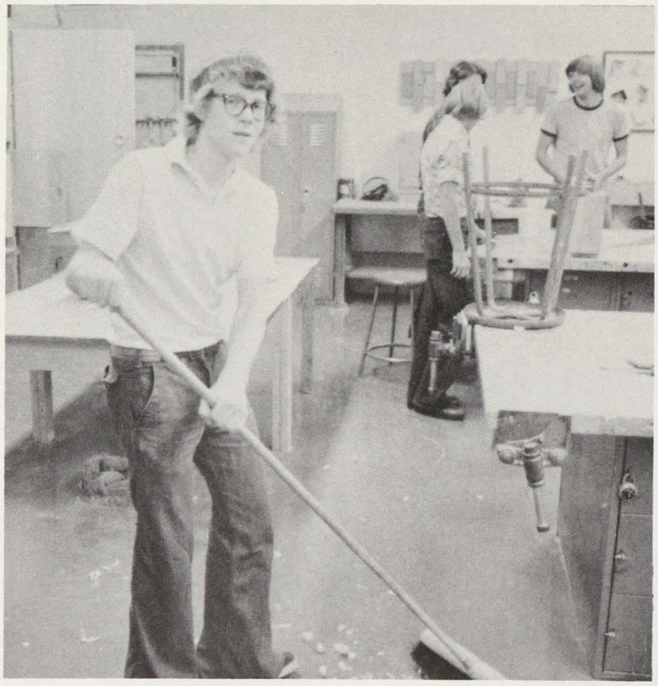




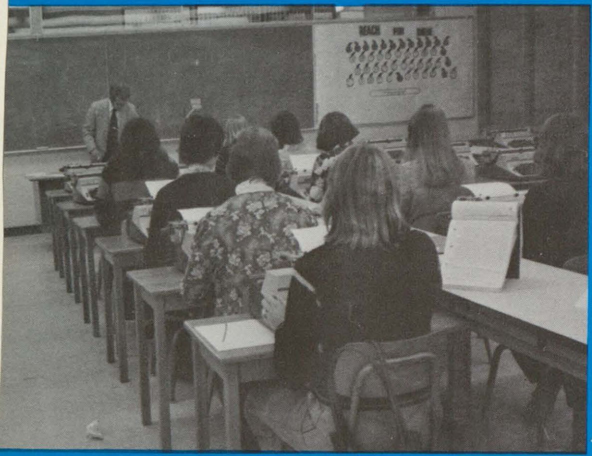




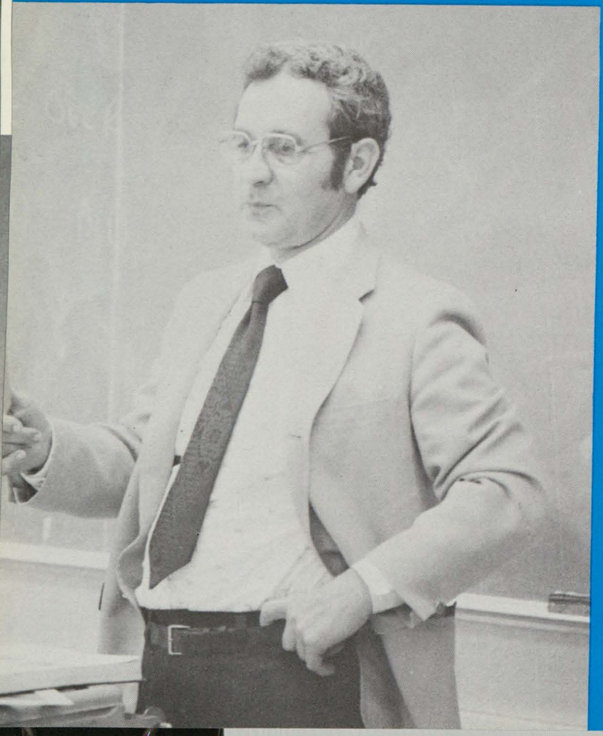


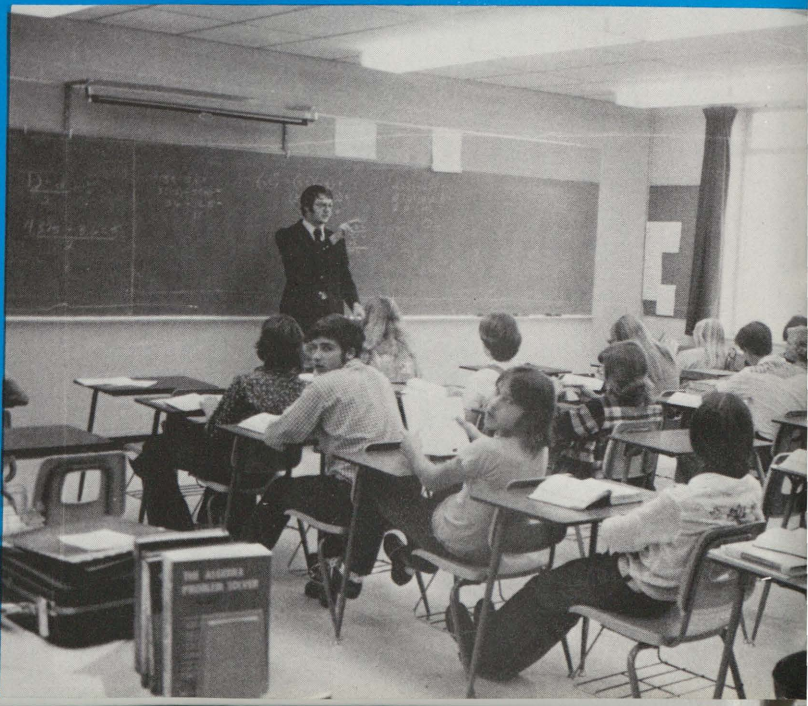


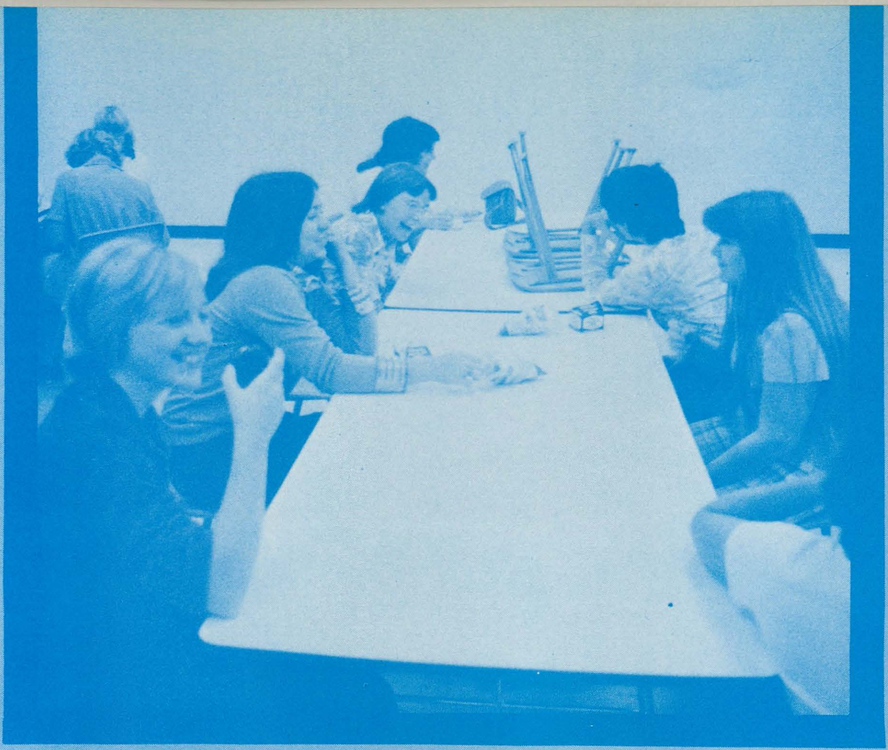
. . . with the unknown.

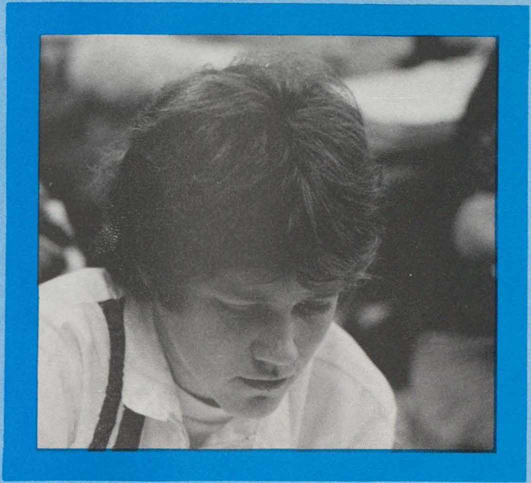


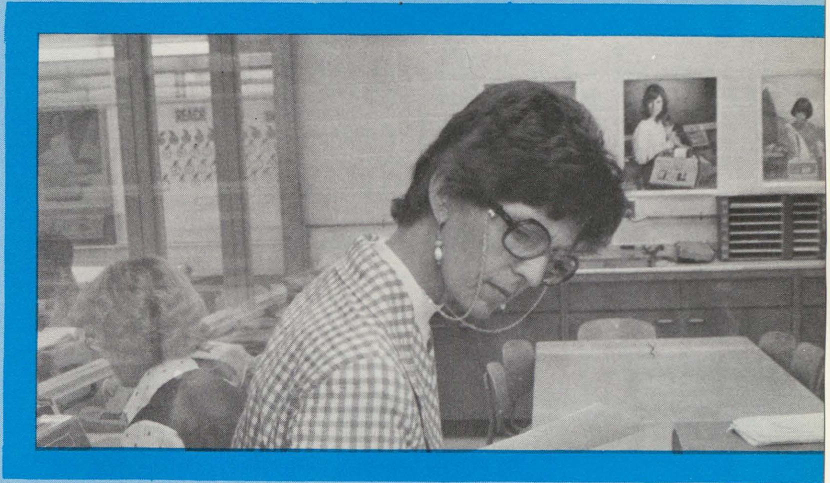
The glimpse of the past
. . . bring us closer to
the future
. . . and the awareness of
the world around you

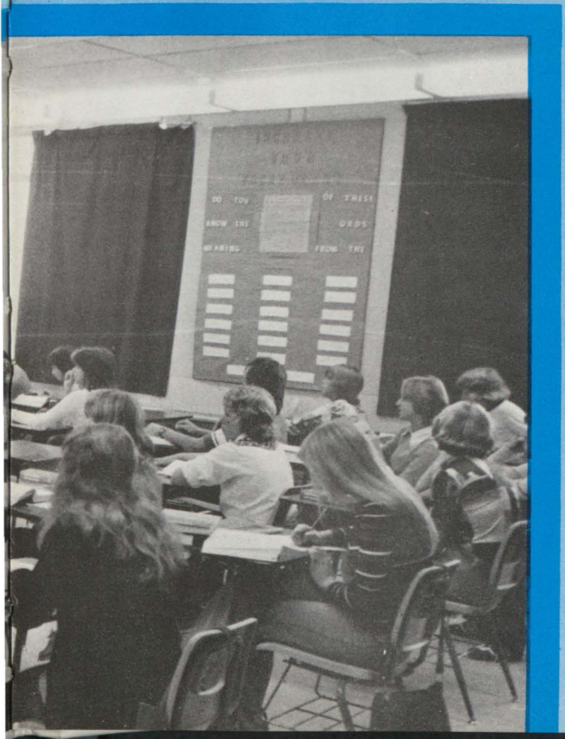


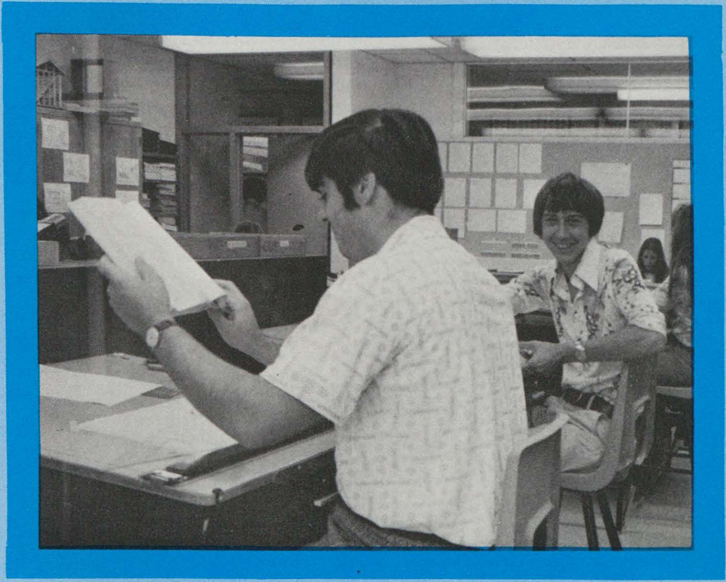


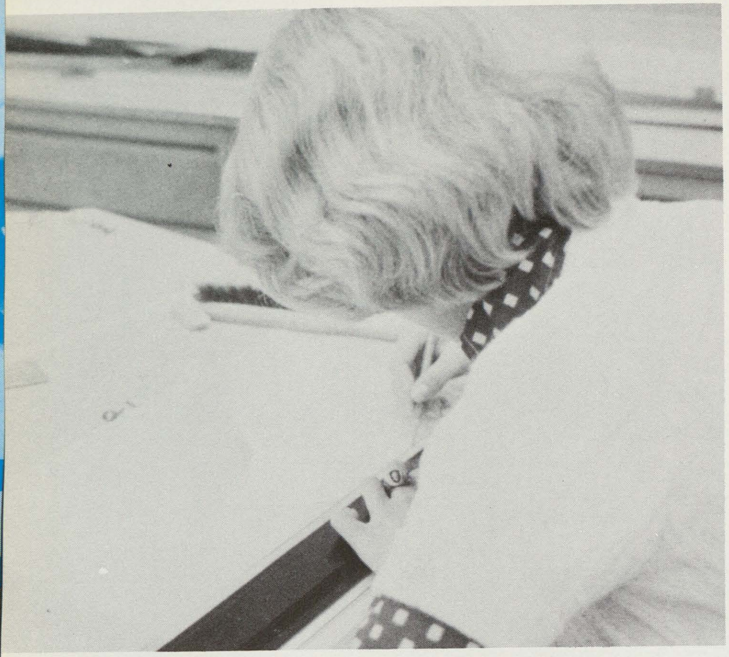












. . . and the
movement of
everyday society.

Our youthful cross country team completed a very successful season in 1976. They placed 4th in the C. M. L., 7th in the regional meet, 5th in the Saginaw County championship, and had one state qualifier in Dan Shamiyeh. Dan placed 4th in the conference, 5th in the state meet. Dave Stevens the team captain was the only senior as all other team members will be back next year to bring Freeland State regonition in cross country.

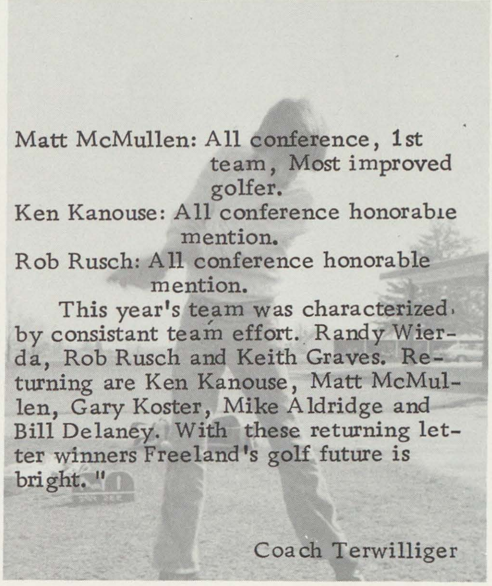
"Freelands varsity golf team had its finest year to date. The varsity won the conference title with a perfect record, won the state regional meet and placed 19th in the state meet.

This year's team was led by senior captain Randy Wierda, seniors Rob Rusch, Keith Graves, Juniors Matt McMullen, Bill Delaney and sophomores Ken Kanouse, Gary Koster and Mike Aldridge.

Individual honors were as follows:

Randy Wierda: All conference, 1st team, most valuable golfer.



Matt McMullen: All conference, 1st team, Most improved golfer.

Ken Kanouse: All conference honorable mention.

Rob Rusch: All conference honorable mention.

This year's team was characterized by consistant team effort. Randy Wierda, Rob Rusch and Keith Graves. Returning are Ken Kanouse, Matt McMullen, Gary Koster, Mike Aldridge and Bill Delaney. With these returning letter winners Freeland's golf future is bright."

This year varsity football team had a record of 3 wins and 6 losses. The team was hit with some key injuries early in the season.

These seniors played very well, they were: Dale Bradfield, Dan Fleet, Roger Hupfer, Jim Meyer, Co Capt.; Dion Maxwell, Dave Ware, Mark Walsh, and Martin Yancer.

There were seven players selected for the Honorable Mention All Conference Team; Paul Smith, Dion Maxwell, Pat Baker, Roger Hupfer, Greg Perry, Jim Meyer and Dale Bradfield.

This years offensive player of the year was also the teams most valuable player, Roger Hupfer. This was quite an achievement because linemen do not normally receive these awards. The defensive players were Paul Smith (co-capt.) who had 103 tackles for the year. Falcon was Dan Fleet who earned a starting position until he broke his arm.

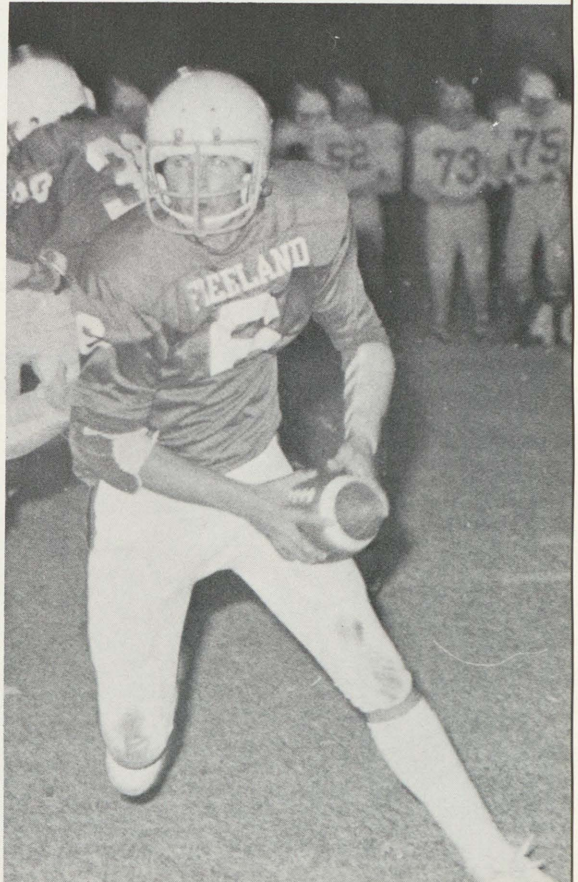
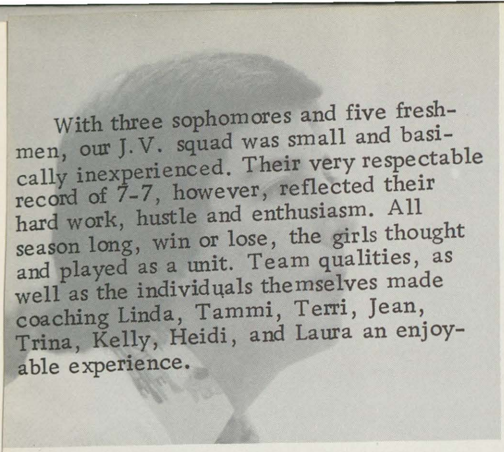
D. Grzesiak runs the naked reverse.





With three sophomores and five freshmen, our J.V. squad was small and basically inexperienced. Their very respectable record of 7-7, however, reflected their hard work, hustle and enthusiasm. All season long, win or lose, the girls thought and played as a unit. Team qualities, as well as the individuals themselves made coaching Linda, Tammi, Terri, Jean, Trina, Kelly, Heidi, and Laura an enjoyable experience.

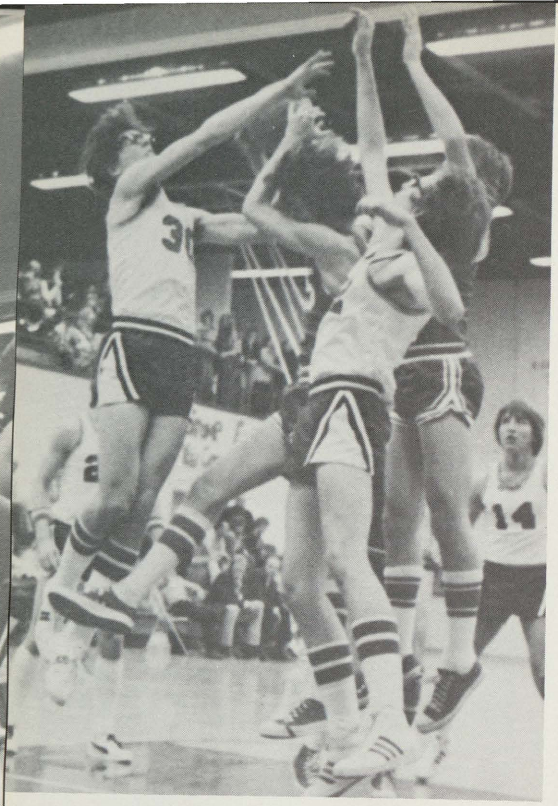
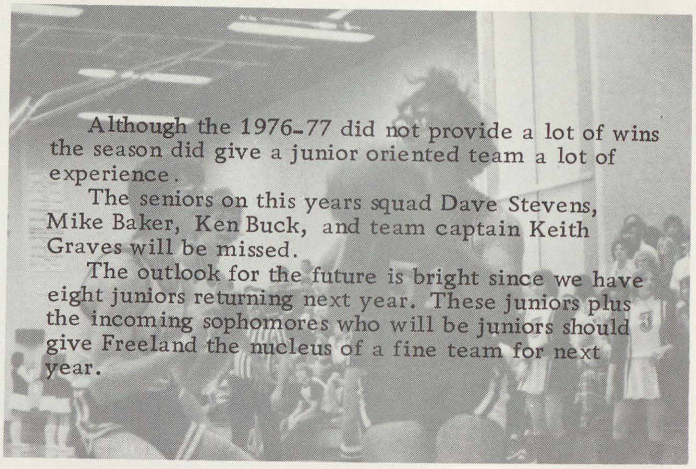
Varsity Rebuilds, Looks Forward To Next Year



A great Falcon rebound!



Although the 1976-77 did not provide a lot of wins the season did give a junior oriented team a lot of experience.

The seniors on this years squad Dave Stevens, Mike Baker, Ken Buck, and team captain Keith Graves will be missed.

The outlook for the future is bright since we have eight juniors returning next year. These juniors plus the incoming sophomores who will be juniors should give Freeland the nucleus of a fine team for next year.

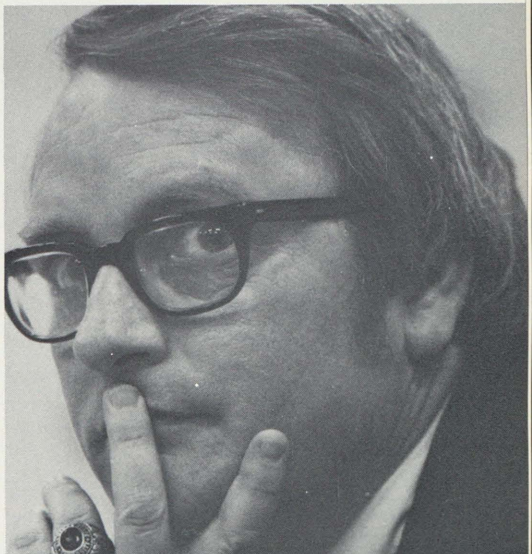
J. Hayden SHOWS WINNING FORM.



The 9th grade basketball team had a successful season finishing with a 9 win -- 4 loss record. Their 9 win 1 loss record in the Central Michigan League won for them the conference championship.

Jim Hayden and Mike Henningsen lead the team in scoring with 21 and 14 points per game averages respectfully. If the players on this team continue to improve, they should make a valuable contribution to Freeland's basketball program.

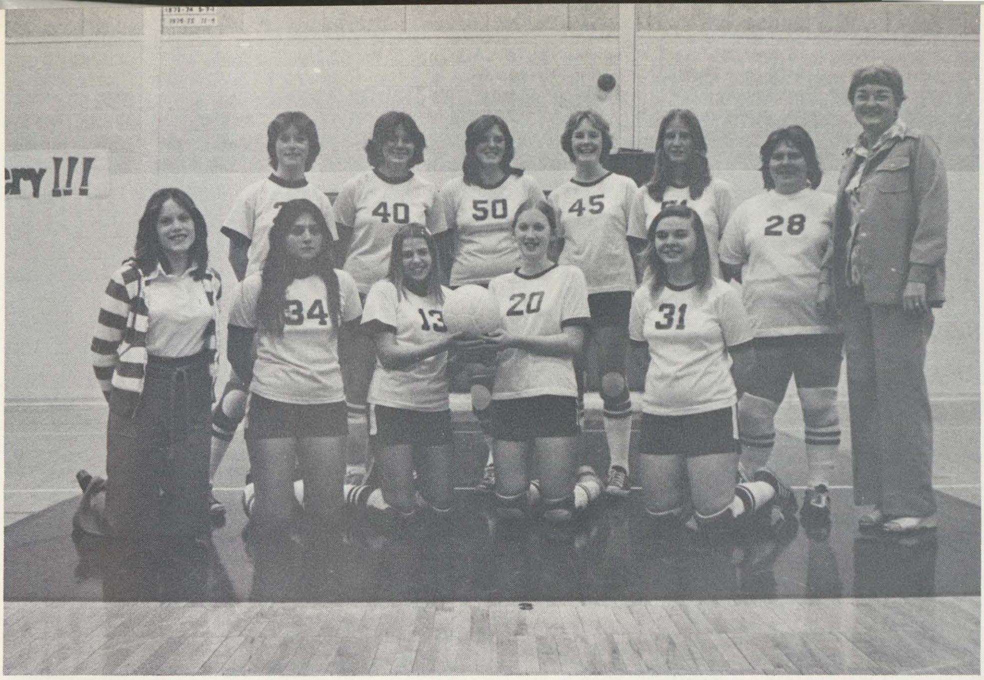
Varsity Has Fine Season Will Lose 8 Seniors

Anticipating their next move.

C. Kloha sets up the spike.

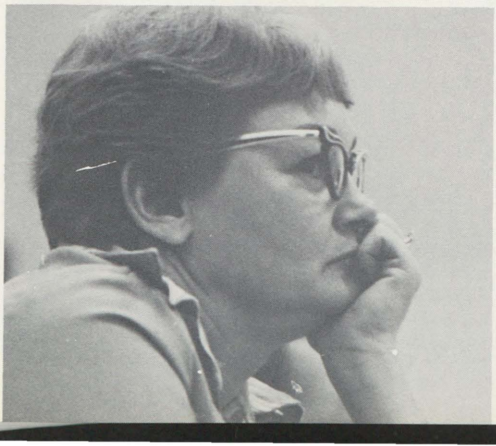
STANDING L-R, Coach Hopcroft, D. Fenton, M. Hammerbacher, D. Neuwirth, S. Dycewicz, D. Nuffer, N. Pingel, S. Shepherd, Asst. D. Linton. KNEELING, K. Stewart, C. Vernon, C. Kloha, D. Linton, L. Corbat.



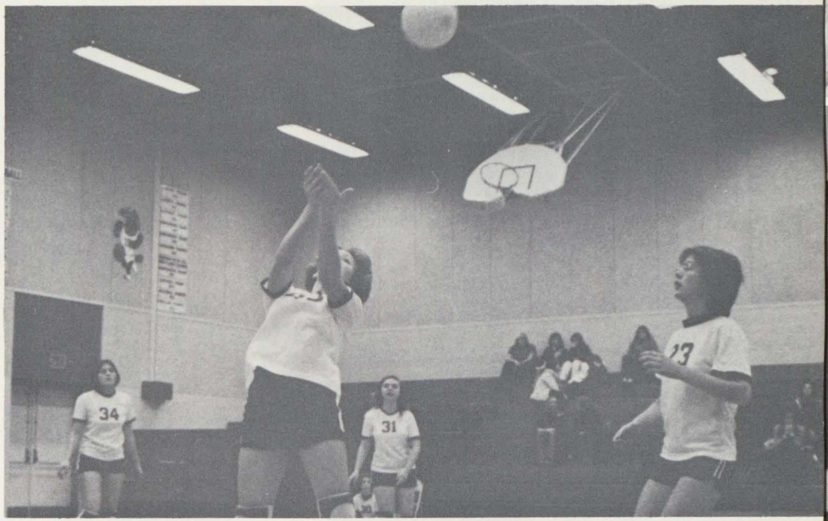
Since Freeland really only has had a volleyball team for 2 years-under the diciplined guidance of Mrs. Hopcroft-they haven't had much experience. They've been able to keep their record on pure, natural, ability.

What more can one say about the team other than, if next year's games are as exciting as this year's, we're in for a good season.

J.V. STANDING L-R. D. Fox, T. Seaver, D. Heckman, K. Hoffman, N. Hemesberg, W. Wasalaski, Coach Hopcroft. KNEELING, J. Reithel, J. Davilla, H. Roenicke, C. Lyons, C. Hamilton.



K. Hoffman sets the play.



J. Davila shows concentration.

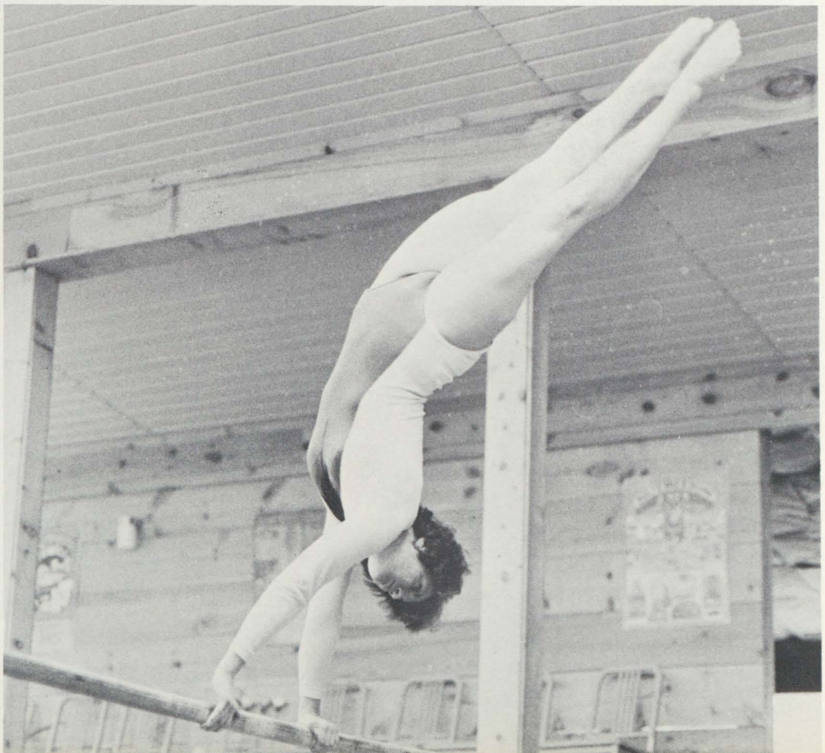
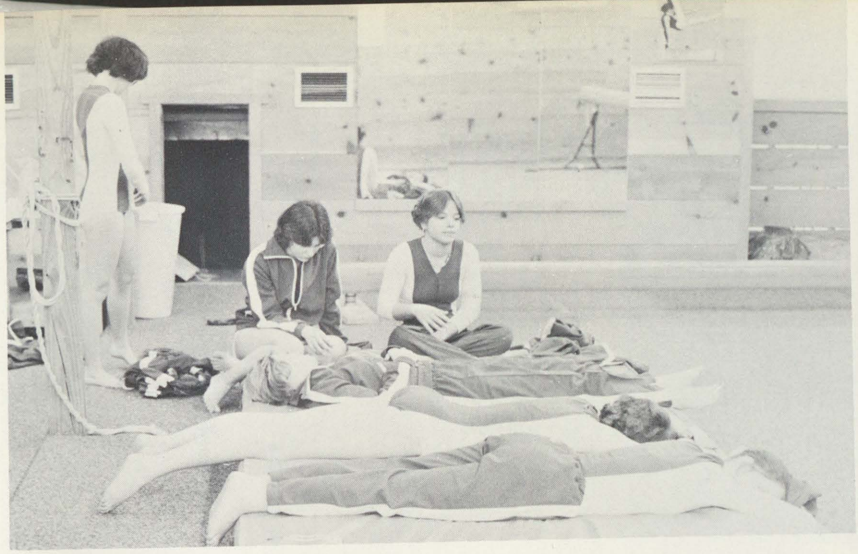
A leap, is a leap, is a leap. (Ann Schneidmiller)

Kelly Taylor poses gracefully.



"Which way is the state championship?" Questions Jeri Holubik.



Meditation before the meet.

K. Mikolaizik poses for the camera.

Gymnastics

The girls Varsity Gymnastics Team had a fantastic season this year. They competed in twelve meets, the largest number so far, during the winter season, ending up with a total of 11 wins and only one loss. A major accomplishment this year was the team's qualification for the Regional Championships.

Head Coach Alice Buchalter was very pleased with the progress and accomplishments this year. She expects an even bigger and better season next year.

Freeland Fliers Hit The Slopes

BACK ROW L. TO R. D. Shamiyeh, Mr. Compton, D. Armato, A. Purvis, M. DeCaire, R. Weirda, C. Maracek, J. Rogalski, Mr. Marks, MIDDLE ROW; W. Wasalaski, P. Bramblet, B. Williams, R. Goslin, L. Barthel, FRONT ROW; R. Williams, F. Proulx, C. Bintz, H. Bintz, J. Kurn.

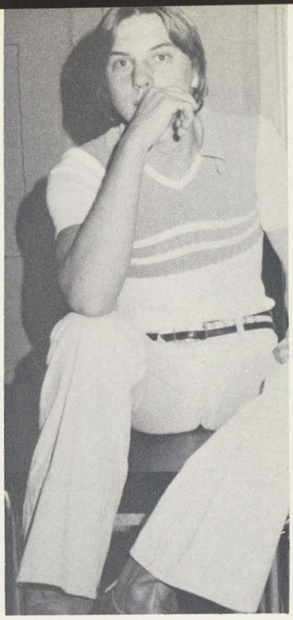
The Falcon Ski Team enjoyed a very successful season this year. Heidi Bintz and Jeff Kurn captained the team to a clean sweep of the Mid-Michigan Conference. Linda Barthel shined for the girls with firsts and seconds all year and finished the Conference with a first in the combined slalom and giant slalom. Heidi Pintz was third in the combined.

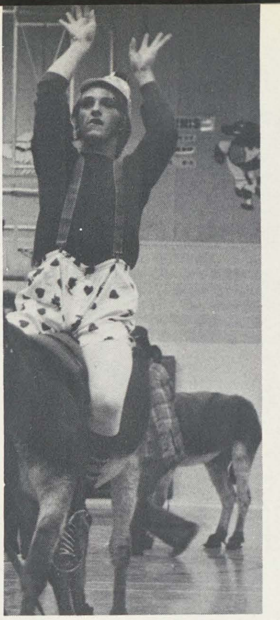
Jeff Kurn helped the boys with a first place finish in the combined at conference. Running a close second and third were Ron Williams and Mike DeCaire. An excellent record for a young team!

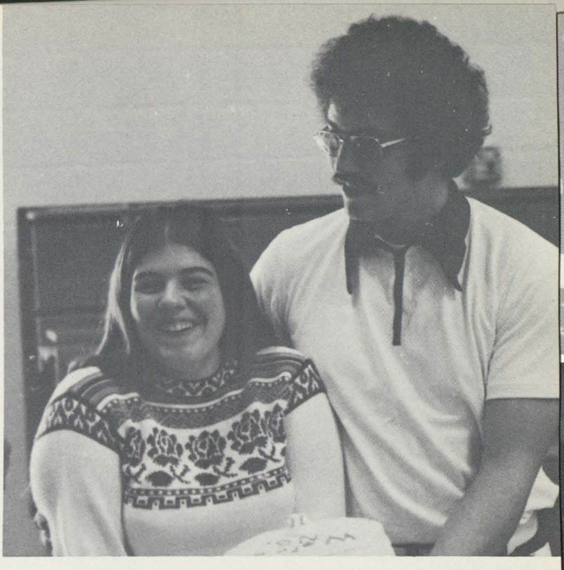
Becky Williams, I made it!

Randy Weirda shows determination.

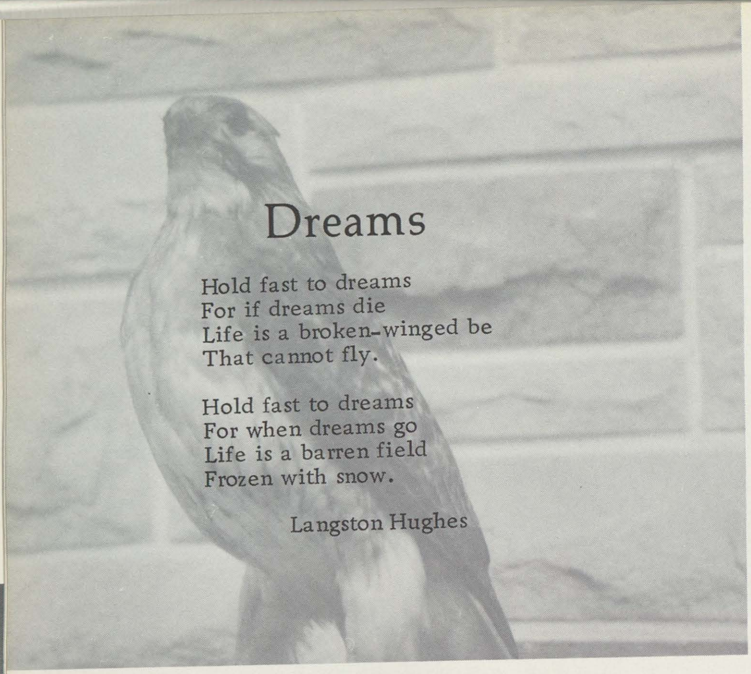
Heidi Bintz burns up her home course.







The Building Of Knowledge Is Not Fruitful Without People

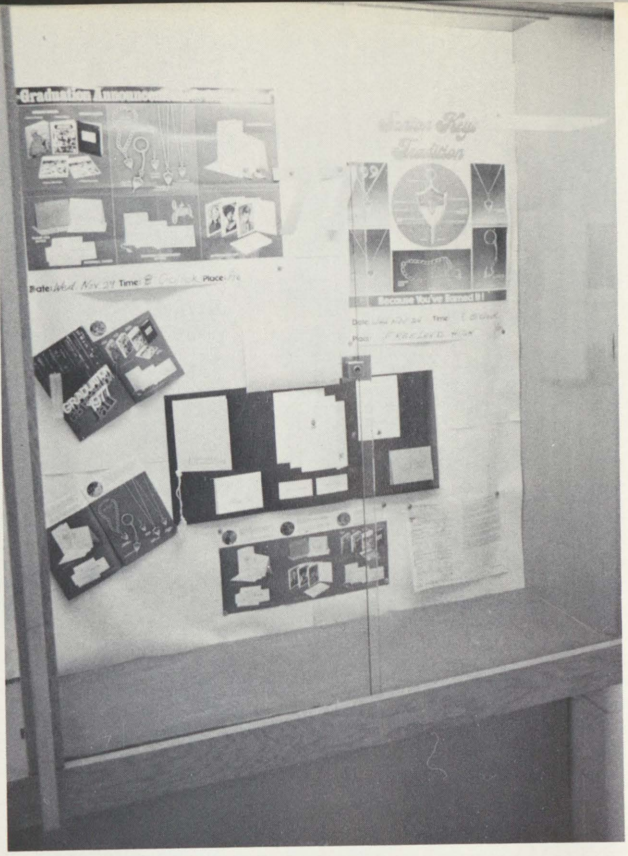


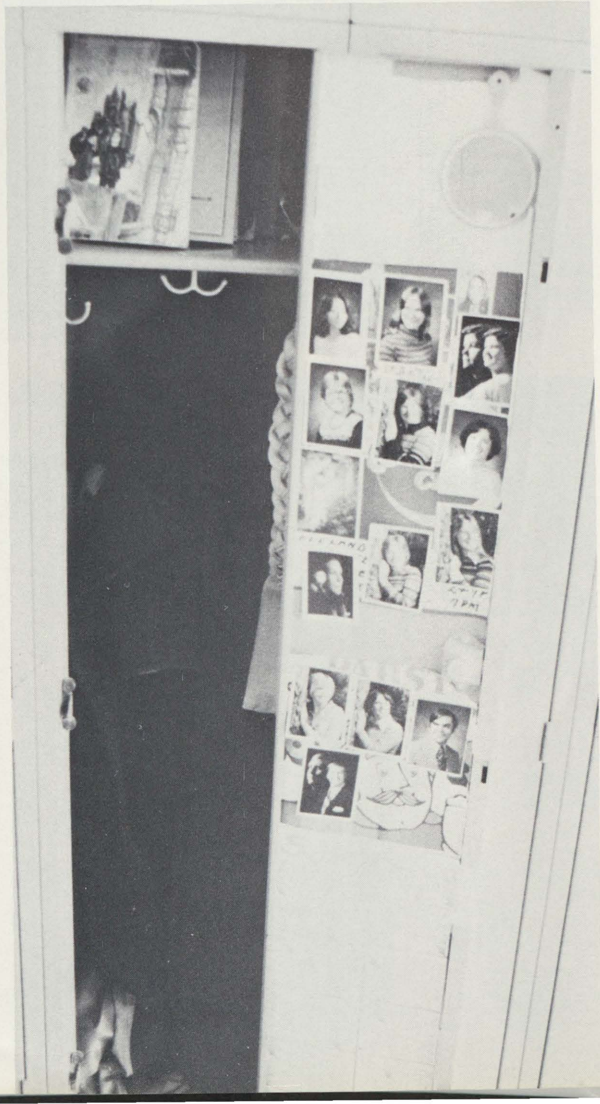
Dreams

Hold fast to dreams
For if dreams die
Life is a broken-winged be
That cannot fly.

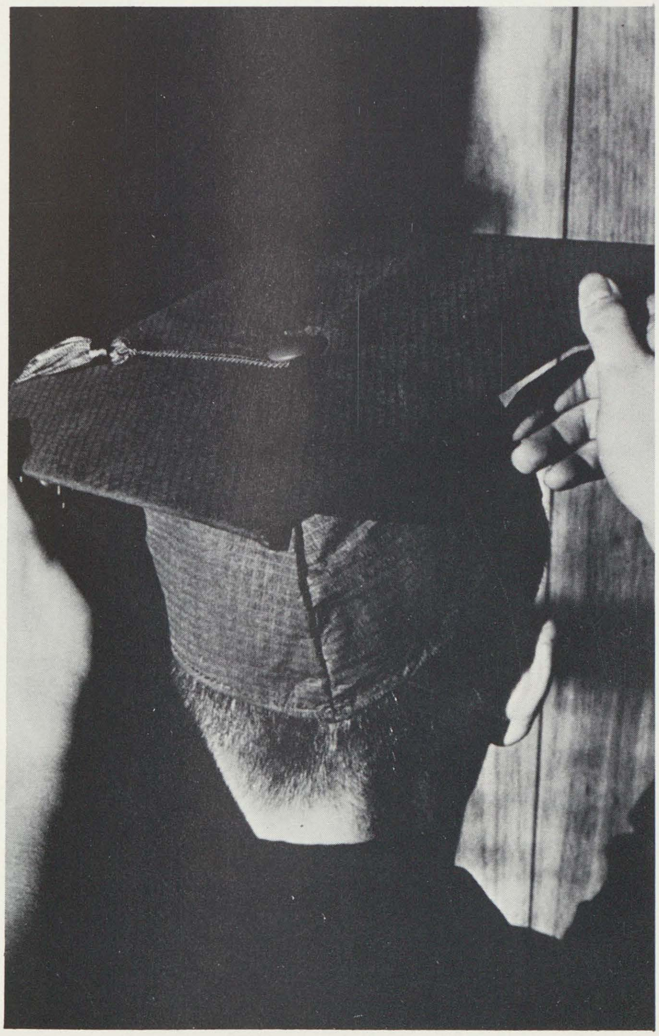
Hold fast to dreams
For when dreams go
Life is a barren field
Frozen with snow.

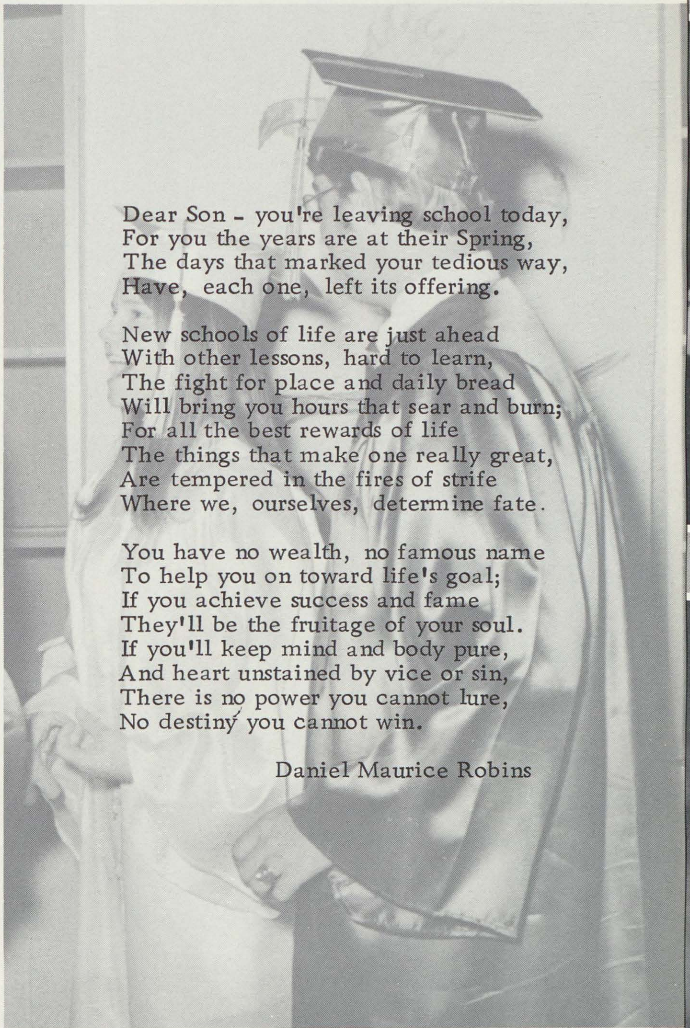
Langston Hughes





To A Graduate . . .





Dear Son - you're leaving school today,
For you the years are at their Spring,
The days that marked your tedious way,
Have, each one, left its offering.

New schools of life are just ahead
With other lessons, hard to learn,
The fight for place and daily bread
Will bring you hours that sear and burn;
For all the best rewards of life
The things that make one really great,
Are tempered in the fires of strife
Where we, ourselves, determine fate.

You have no wealth, no famous name
To help you on toward life's goal;
If you achieve success and fame
They'll be the fruitage of your soul.
If you'll keep mind and body pure,
And heart unstained by vice or sin,
There is no power you cannot lure,
No destiny you cannot win.
